INNOVATION IS IN OUR DNA

Introducing HarveyCorp's new purpose-built lab spaces optimally located in the heart of the Biotech City of Laval. HarveyCorp's portfolio is an ecosystem of buildings that include more than 200,000 square feet of R&D laboratories and office spaces in a campus-style environment designed according to the specific needs of each user. Located at 400, 420, 440, and 480 Armand-Frappier Boulevard, this portfolio is a reflection of HarveyCorp's expertise and ongoing success in transforming existing spaces into state-of-the-art laboratories. HarveyCorp brings to the market a life sciences ecosystem where innovation is at its core.

IN THE CORE BIOTECH NETWORK

HarveyCorp's Armand-Frappier site is located within the Biotech City. The biotech city of Laval is Montréal's biotechnology and life sciences hub that's home to world renowned biopharmaceutical firms and research institutes. The Biotech City's mission is to ensure the attraction, development and growth of corporations born out of health science research and to provide them an environment that is conducive to success.

New turnkey lab spaces and small lab graduation spaces (delivery Q3 2026) are currently pre-leased at the Armand-Frappier Campus in Laval's Biotech City. HarveyCorp partners with life sciences companies to provide functional and cost-effective real estate solutions that facilitate growth and innovation.

HarveyCorp meets the need for small, generic lab spaces between 1,000 and 1,400 sq. ft. These graduation spaces are ideal for post-incubation companies looking to expand their operations in a inspiring environment.
