A 30-minute drive from the Upper Laurentians

Direct access from Highway 15, exit 8

30 minutes by car from downtown Montreal and Pierre-Elliott-Trudeau Airport

Connect with a city of innovations, know-how and creativity

Laval is a diversified entrepreneurial city that has succeeded in being among the most dynamic in Canada. This city's economic vitality is driven by more than 12,000 companies, organizations and partners who actively participate in its business development.

More than a third of Laval residents work on the island, in addition to the thousands of professionals from Montreal and the North Shore advancing their careers there today.

The building's dominant location at the corner Le Corbusier and Saint-Martin Boulevards and the opportunity for outdoor signage for tenants who lease an entire floor offer powerful visibility.

Laval is growing...

- Several major, ongoing projects and more than \$1 billion in real estate investments plus other structuring projects
- A diversified, prosperous and competitive economic structure
- A unique, world-class cultural and tourist offer
- Promising and emerging sectors include aerospace, agri-food, retail, services, industrial and manufacturing, life sciences, information technology, communications, transportation, logistics, tourism and major attractions

Access a pool of talent and a highly skilled workforce in a variety of sectors!
