THE NEIGHBOURHOOD

Mount Pleasant is Vancouver's most highly sought after neighborhood. 5 E 8th Avenue is situated in the centre of the action of this rapidly expanding high tech hub. The area is a hive of activity with development in the False Creek Flats exploding alongside the expansion of mixed use developments in Olympic Village and along Main Street. Take part in Main Street's transformation as the "go to" social hot-spot offering trendy eateries to grab a bite, or local microbreweries to celebrate the day's success.
