Property Highlights

The Lombard Commerce Building, centred in Winnipeg's and Western Canada's historic financial and grain marketing headquarters, is an exemplary Neo-Classical office tower combining the traditional ornamentation of a Renaissance Revival palace of commerce with the advanced steel frame and fireproof construction techniques of its era. Designed by J.D. Atchison, one of Manitoba's foremost early architects, the building displays grand formality and elegant detailing, as well as materials of Canadian origin, most notably Kootenay marble from British Columbia.
