LET US TURNKEY YOUR NEXT OFFICE!

Bosa Properties’ preferred contractor, Axiom Builders, understands the importance of teamwork, communication, and a realistic project plan to achieve your aesthetic, operational, and budgetary goals for building out an office.

They are experts in all aspects of a successful tenant improvement, from the initial planning of a project through design, documentation, engineering, construction, closeout, and turnover. By ensuring everyone is in the right place, at the right time, and doing the right things, our team will strive to avoid redundancies, rework, and costly mistakes.

We provide valuable insight through all phases and our clients rely on us to meet their expectations.

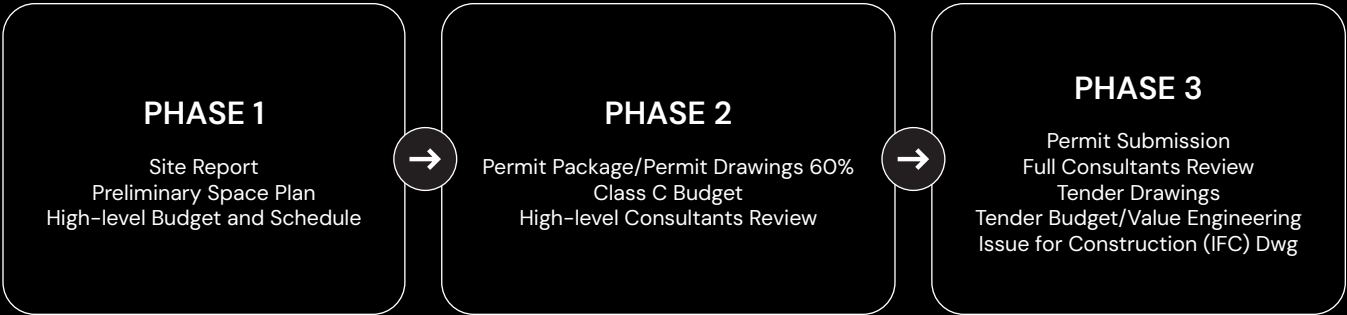

Contact the listing brokers to discuss the turnkey packages available for your business to get up-and-running at Central Park Place.

-  Save Valuable Time
-  Streamline Communication
-  Landlord Approved Consultants and Trades
-  Early Access To Site
-  Professional Project Management

## PRE-CONSTRUCTION

Our team understands the true value of accurate preconstruction data to execute a tenant improvement successfully.

Establishing the constructability of a space based on the clients’ business needs is paramount to our process. Axiom Builders’ role is to ensure that what is designed will meet your requirements, while remaining within schedule and budget limits.

## CONSTRUCTION

This is our forte. Our highly skilled teams manage a project’s day-to-day activities and implement solutions or recovery plans at every turn.

Axiom Builders construction process is driven by our ability to streamline communication between the client, landlord, consultants, and construction management team.

## MOVE MANAGEMENT

Axiom Builders offers options for move management coordination, including furniture procurement and installation.

As your dedicated construction partner, we want to assist you through all construction phases – and then some.

Plus, working with one team, all the way till the end, mitigates the risk of delays and communication errors.
