

Lougheed Block

604 1st Street Southwest
Calgary, AB

HISTORY & VISION

Lougheed Block's story begins with innovation. Completed in 1912 as one of the first buildings in Western Canada to use reinforced concrete, its genesis was to be a multi-use destination with retail, office and residential spaces. The Grand Theatre was added in the 1940s along with a dramatic lobby and entrance, solidifying its place in Calgary's business and entertainment hub.

Lougheed Block has been the headquarters for a number of Calgary's most influential tenants including the United Farmers of Alberta, United Grain Growers and Calgary Petroleum Products.

This acclaimed block of Calgary's downtown core has been transformed into a distinctive urban workplace with improved infrastructure and elevated common areas. As part of Heritage on 6th, Lougheed Block is connected to a shared amenity network designed to support knowledge-based organizations.
