National Bank Centre's transformation is underway...

National Bank Centre is set for a \$45 million transformation, expected to be completed by early 2026, aimed at enhancing the workplace experience in Edmonton.

The interior retail upgrades will create a vibrant shopping atmosphere, featuring extensive glazing on the ground and second floors to maximize natural light and promote productivity.

A tenant-exclusive lounge on the second floor will provide a space for relaxation and collaboration, fostering community among tenants. Modernized conference facilities will offer state-of-the-art meeting spaces, while new fitness amenities and bike parking will encourage healthy lifestyles and eco-friendly commuting.

We are dedicated to transforming National Bank Centre into a premier destination for work, leisure, and innovation in Edmonton.

Amenities designed to support.

We know amenities play a crucial role in enhancing the overall experience and productivity of employees – it’s why we have curated a meaningful amenities platform to support our office workers above.

Our retail podium levels provide easy access to restaurants, coffee shops, and other retail stores to conveniently support our office users throughout their workday and beyond. Tenant exclusive fitness facilities and conference centres provide a convenient and accessible space for employees to prioritize wellness and out of office connections.

Outdoor, elevated terraces on the 4th floor offer fresh air to rejuvenate the day, extend the workplace outdoors and give respite from the workday. For commuters, National Bank Centre has over 500 underground parking spaces, including EV- Ready spaces, visitor parking and bike storage.

Whatever you need, National Bank Centre can support you.
