Property Description

This development will enjoy unobstructed views and access to Blackmud Ravine, providing employees with the invaluable opportunity to temporarily escape down a scenic pathway far from the stress of the workday. A landscaped green space, wet pond and connected integrated trail system will provide additional outdoor respites close to work.

Excellent exposure via Gateway Boulevard, a variety of amenities and a high standard of quality ensure that Village at Blackmud Creek will meet the demands and high expectations of any company or business.

Offer "Right to Light" with shallow rectangular design

9' floor to t-bar ceiling

LED parking lot and building lighting to reduce Operating Costs

Energy efficient windows to reduce heating and cooling costs

Motion sensor lights for washrooms

3-storey atrium with interconnected feature staircase

For Lease

Village at Blackmud Creek | 1074 - 103A Street SW, Edmonton

Amenities include walking trails, ponds, outdoor fitness facilities, and outdoor work stations

Redefining the Workplace

The way we work has changed dramatically over the last 20 years – the pace faster, the demands tougher, talent harder to recruit and retain, and the competition fierce and global. The physical work environment has not kept up to these demands until now.

The Village at Blackmud Creek is revolutionizing the modern work environment. It is redefining the workplace through amenities that set a new gold standard for an Employer of Choice such as on-site daycare, multi-use trails, the Right to Light, outdoor fitness pods, and outdoor workstations.

Quality daycare program on site

Hotels and conference facilities located adjacent to site

Located conveniently on QEII Highway and Anthony Henday Drive - just 14 minutes to the International Airport

Retail component within the campus offers a wide variety of food choices

Close to public transit and the future Ellerslie LRT Station

Prominent exposure along QEII Highway and Ellerslie Road with building and pylon signage options
