IL - Light Industrial Zone (Sec. 203-204)

Purpose of the Zone

The purpose of the IL – Light Industrial Zone is to:

- (1) permit a wide range of low impact light industrial uses, as well as office and office-type uses in a campus-like industrial park setting, in accordance with the Employment Area designation of the Official Plan or, the General Urban Area designation where applicable;
- (2) allow in certain Employment Areas or General Urban Areas, a variety of complementary uses such as recreational, health and fitness uses and service commercial (e.g. convenience store, personal service business, restaurant, automobile service station and gas bar), occupying small sites on individual pads or in groupings as part of a small plaza, to serve the employees of the Employment or General Urban Area, the general public in the immediate vicinity, and passing traffic;
- (3) prohibit retail uses in areas designated as Employment Area but allow limited sample and showroom space that is secondary and subordinate to the primary use of buildings for the manufacturing or warehousing of the product;
- (4) prohibit uses which are likely to generate noise, fumes, odours, or are hazardous or obnoxious; and
- (5) provide development standards that would ensure compatibility between uses and would minimize the negative impact of the uses on adjacent non-industrial areas.
